RECYCLING APPEAL PRICE GUIDE

Welcome to this month's Recycling Appeal Price Guide. Here you will find the latest values for all of the inkjet cartridges, toner cartridges and mobile phones that we accept.

Before reading on we would like you to take note of the following points:

- The types of product we accept and the prices we pay can vary on a monthly basis.
- *Redeem Plc* (the operators of the scheme) will only issue payment if your collection values a minimum of £24/€36. If you are in any doubt as to the acceptance value of any cartridge or mobile phone please call our customer services team.
- In general we only purchase originally manufactured cartridges. There is no value for refilled cartridges, compatible cartridges or Epson cartridges (unless otherwise listed). Broken cartridges have no value so please ensure that your items are packed carefully prior to collection.
- Recycling Appeal encourages you to re-use old boxes as you prepare your packages for collection. Packages can contain any combination of inkjet cartridges, laser cartridges and mobile phones. For some more tips on packing please see our terms and conditions.

More useful information, along with everything you need to make your recycling appeal a success can be found in our Welcome Pack, which you can download FREE on our website.

We wish you all the best with your recycling efforts. If you have any questions or would like to request a collection or more freepost envelopes please call us on 08451 30 20 10 / 1800 933 616 or visit www.recyclingappeal.com / www.recyclingappeal.ie
